17th Annual Women Cardiac Care 2025

March 29 – 30, 2025 | Taj Vivanta Hotel, New Delhi

No Beauty Shines Brighter Than a Healthy Heart

Program Book

Welcome Message

Dear Colleagues,

On behalf of the organizing committee, it is our distinct pleasure to welcome you to at **17th Annual Conference of Women Cardiac Care**, a premier gathering of women leaders, professionals, and innovators in the field of cardiology.

We are honoured to have you join us for this enriching event, where we will share the latest advancements, research, and clinical practices in this rapidly evolving specialty. Over the course of the conference, we hope to foster insightful discussions, encourage collaboration, and inspire new ideas that will shape the future of cardiology.

As one of the largest Cardiology conferences in the Asia Pacific Region for Women, WCC has been growing, attracting over 500 Cardiologists from various countries. Our program will feature esteemed national and international faculty, focusing on educational content, live transmissions / Live in Box cases, and integrated academic discussions.

With more than 100+ National Faculty, 4 International women Cardiologists, 4 Live Cases, Interactive Crystal Gazing sessions, Debates, PG Quiz for budding cardiologists, Prajwalika Research Awards , (PSS), Hands on Workshop and Clinical Cardiology topics, we aspire to provide a tremendous opportunity for learning from each other's experiences, exchange ideas, and explore new opportunities for growth and innovation. Your participation is not only a testament to your commitment to advancing the field, but also a reflection of your dedication to improving patient outcomes worldwide.

We trust that you will benefit immensely as you enjoy the sessions, workshops, and professional comraderies of 17th Annual Conference of Women Cardiac Care.

We look forward to a productive and insightful experience together.

J.P.S Sawhney
Organising Chairman

Arun Mohanty
Organising Chairman

Kavita Tyagi
Organising Secretary

Welcome Message

Good Morning Esteemed Guests, Delegates, Colleagues, and Friends,

Namaste! It is with immense joy and pride that we extend a warm welcome to each of you at the **17th Annual Women Cardiac Care (WCC) Conference**, hosted by the **Women in Cardiology and Related Sciences (WINCARS) Association** in the vibrant city of New Delhi. This gathering is not just an annual event; it is a landmark initiative dedicated to advancing cardiac care with a special focus on women's heart health. Over the years, WCC has evolved into a dynamic platform, expanding awareness, strengthening collaborations, and driving meaningful advancements in cardiovascular care for women.

WCC is the signature initiative of the WINCARS Association, an International Awareness Campaign committed to promoting, protecting, and prioritizing women's heart health. The ultimate goal is to improve cardiac care for women by highlighting the unique risk factors, clinical presentations, prevention strategies, treatment approaches, and outcomes specific to women. Despite the rising burden of heart disease among women, because of its under-recognized, under-diagnosed, and under-treated, as medical professionals, it is our collective responsibility to bridge this gap and advocate for better recognition, timely intervention, and improved management of cardiovascular disease in women.

What began as an idea has now evolved into a thriving network of experts, advocates, and changemakers in cardiac science. WINCARS continues to lead the way in breaking barriers, pushing the boundaries of innovation, and transforming the landscape of women's cardiovascular health. As we come together for this milestone event, we reaffirm our commitment to ensuring that women's heart health receives the attention it truly deserves.

I extend my deepest appreciation to Dr. Kavita Tyagi and her dedicated team for their exceptional efforts in organizing this prestigious conference. A special acknowledgment to Prof. J.P.S. Sawhney and Dr. Arun Mohanty, our esteemed Organizing Chairpersons, whose leadership and dedication reflect the true spirit of WINCARS collaboration, excellence, and a relentless pursuit of progress.

To all our distinguished speakers, panelists, and participants, I express my heartfelt gratitude for your unwavering commitment to this cause. Your presence and contributions drive our mission forward, paving the way for a healthier, stronger, and brighter future for women across the world. Welcome to WCC 2025 let us make this a conference to remember.

M. Jyotsna
Chief Advisor, WINCARS

Welcome Message

A very warm welcome to the **17th Annual Women Cardiac Care (WCC) Conference**, hosted by the **WINCARS Association** in New Delhi! It is an absolute privilege to stand before this distinguished gathering of visionaries, pioneers, and global thought leaders in cardiology and allied sciences, all united by a shared commitment to advancing women's cardiovascular health.

WCC is one of the largest and most influential interventional cardiology conferences for women in the Asia-Pacific region, serving as a dynamic platform for innovation, knowledge exchange, and mentorship. Over the years, it has evolved into a global forum where the brightest minds in cardiology come together to redefine the landscape of women's heart health. After the phenomenal success of WCC 2024 in Visakhapatnam, we are delighted to bring this landmark event to the heart of India's capital, furthering our mission to bridge gender gaps, drive excellence, and inspire future generations of cardiologists.

The Women in Cardiology and Related Sciences (WINCARS) Association, founded by Prof. Maddury Jyotsna, stands as India's first nationally centered organization dedicated to empowering women in cardiology. WINCARS has been instrumental in creating a collaborative, inclusive, and forward-thinking ecosystem, where education, research, and leadership converge to advance gender equity in cardiovascular medicine. Over the years, WINCARS has established impactful collaborations with leading national and international organizations, amplifying its reach and fostering a truly global exchange of expertise. This year, we are honored to host a special collaborating session with EAPCI, featuring some of the most eminent voices in interventional cardiology.

As we embark on this exhilarating journey at WCC 2025, we are proud to unveil a scientific program of unparalleled caliber, meticulously curated to showcase the latest advancements and innovations in interventional cardiology. This year's conference will feature live cases from world-renowned international centers, providing a firsthand look at cutting-edge techniques and interventions. Attendees will engage in thought-provoking debates, interactive quizzes, PSS presentations, abstracts, and case discussions. A true highlight of WCC 2025 is the prestigious Padmavati Oration, a tribute to the enduring legacy of Prof. Padmavati, whose pioneering contributions continue to inspire generations of cardiologists. In a moment of profound significance, we are also honored to launch the book "Women and Heart Disease," edited by Myself and Dr. Maddury Jyotsna.

I extend my heartfelt appreciation to Dr. Kavita Tyagi, Organizing Secretary whose unwavering dedication and meticulous planning have ensured that WCC 2025 stands as a benchmark of excellence. A special acknowledgment to our esteemed Organizing Chairpersons, Dr. J.P.S. Sawhney and Dr. Arun Mohanty, whose leadership and vision have been instrumental in shaping this event into a world-class academic and scientific experience.

As we convene here in New Delhi, the vibrant heart of India, let us seize this opportunity to learn, collaborate, and drive impactful change. Let WCC 2025 be not just a conference, but a movement - one that propels us towards a future where every woman, everywhere, has access to the best possible cardiac care.

10:28 - 10:36 Hrs. (8 Mins.)	Evaluation Of Autonomic Functions For Assessment Of Cardiovascular Risk In Women With Subclinical Hypothyroidism	Vidya Ganji
11:24 - 11:30 Hrs. (06 Mins.)	EvauConcluding Remarks	

11:30 - 12:10 Hrs. Session : Crystal Gazing

Moderator: Sarita Gulati

Chairperson: Marta Kalunza, Stephane Manzo, Deepthi Gali, G Selvarani, Rudrani Sharma

Discussant: Leena Thomas, Prachi Sharma, Rajni Sharma, Samina Khalil, Seema Naxane, Sarita Choudhary

11:30 - 11:50 Hrs. (20 Mins.)	Crystal Gazing 4 - ACS	
4 Min.	Case Presentation	Richa Sharma
5 Min.	What Would I Do ?	Sukriti bhalla
5 Min.	What Did I do !	Richa Sharma
4 Min.	Panel Discussion & Audience Interaction	Discussants
11:50 - 12:10 Hrs. (20 Mins.)	Crystal Gazing 5 : Calcified Lesion	
4 Min.	Case Presentation	Tripti Deb
6 Min.	What Would I Do ?	Seema Naxane
6 Min.	What Did I do !	Tripti Deb
2 Min.	Panel Discussion & Audience Interaction	Discussants

12:10 - 13:30 PM Echocardiography - Interesting Cases Session

Moderator: Simmi Manocha

Chairperson: Hemlata Tiwari, Indrani Tenneti, Sangeeta Sachdeva, Payal, Asharani Khanna, Anil Saxena

Discussant: Samina Khalil, Rajat Mohan, Rekha Mishra, Avinash Verma, Mahima Chhajera, Lipi Uppal

12:10 - 12:18 Hrs (6 + 2 Mins.)	Varing Clinical Presentations of Inflammatory Myocardial Diseases	Manisha Reddy
12:18 - 12:26 Hrs (6 + 2 Mins.)	Interesting Case of Cardiac Sarcoidosis	Samina Khalil
12:26 - 12:34 Hrs (6 + 2 Mins.)	Infant with Double Distress with PA Sling	Munesh Tomar
12:34 - 12:42 Hrs (6 + 2 Mins.)	Dissection of Aorta with Rupture in Cardiac Tamponade	Rekha Mishra
12:42 - 12:50 Hrs (6 + 2 Mins.)	Large LV Thrombus With A Review Of Literature On The Subject	Mira Govindrajan
12:50 - 12:58 Hrs (6 + 2 Mins.)	RSOV to IVS	Sonal Jain
12:58 - 13:06 Hrs (6 + 2 Mins.)	Isolated Pulmonary Stenosis	Amita Singhal Garg
13:06 - 13:18 Hrs (10 + 2 Mins.)	My Collection of Interesting Echocardiograms	IB Vijayalakshmi

13:20 - 14:00 Hrs. LUNCH

14:00 - 14:45 PM Code of Ethics Session

Moderator: JPS Sawhney

Chairperson: Perna Goyal, IB Vijay Lakshmi, Mausam Mody, Prabha Nini Gupta, Sarita Choudhary

Discussant: Sushant Wattal, Shreya Mokashi, Elumali G, Musuku Manisha Reddy, Jasmin Vohra

14:00 - 14:30 Hrs. (25 + 5 Mins.)	Legal Issue in Medical Practice and Current Perspective	DMC
